ADMINISTRATIVE PROVISIONS

(1) Section 7(a)(2) of the Small Business Act (15 U.S.C. 636(a)(2)) is amended to read as follows:

"(2) In agreements to participate in loans on a deferred basis under this subsection, such participation by the Administration, except as provided in paragraph (6), shall be—

"(A) not less than 90 percent of the balance of the financing outstanding at the time of disbursement if such financing does not exceed \$155,000: *Provided*, That the percentage of participation by the Administration may be reduced below 90 percent upon request of the participating lender; and

"(B) subject to the limitation in paragraph (3)—

"(i) not less than 70 percent nor more than 85 percent of the financing outstanding at the time of disbursement if such financing exceeds \$155,000: *Provided*, That the participation by the Administration may be reduced below 70 percent upon request of the participating lender; and

"(ii) not less than 85 percent of the financing outstanding at the time of disbursement if such financing is a loan under paragraph (16).

The Administration shall not use the percent of guarantee requested as a criterion for establishing priorities in approving guarantee requests nor shall the Administration reduce the percent guaranteed to less than 85 percent under subparagraph (B) other than by determination made on each application. Notwithstanding subparagraphs (A) and (B), the Administration's participation under the Preferred Lenders Program or any successor thereto shall be not less than 80 percent, except upon request of the participating lender. As used in this subsection, the term 'Preferred Lenders Program' means a program under which a written agreement between the lender and the Administration delegates to the lender (I) complete authority to make and close loans with a guarantee from the Administration without obtaining the prior specific approval of the

Administration, and (II) authority to service and liquidate such loans.”

(2) Section 7(a)(19) of the Small Business Act (15 U.S.C. 636(a)(19)) is amended to read as follows:

“(19)(A) In addition to the Preferred Lenders Program authorized by the proviso in section 5(b)(7), the Administration is authorized to establish a Certified Lenders Program for lenders who establish their knowledge of Administration laws and regulations concerning the guaranteed loan program and their proficiency in program requirements. The designation of a lender as a certified lender shall be suspended or revoked at any time that the Administration determines that the lender is not adhering to its rules and regulations or that the loss experience of the lender is excessive as compared to other lenders, but such suspension or revocation shall not affect any outstanding guarantee.

“(B) In order to encourage all lending institutions and other entities making loans authorized under this subsection to provide loans of \$50,000 or less in guarantees to eligible small business loan applicants, during fiscal years 1989, 1990, and 1991, the Administration shall (i) develop and allow participating lenders to solely utilize a uniform and simplified loan form for such loans, and (ii) allow such lenders to retain one-half of the fee collected pursuant to section (7)(a)(18) on such loans. A participating lender may not retain any fee pursuant to this paragraph if the amount committed and outstanding to the applicant would exceed \$50,000 unless the amount in excess of \$50,000 is an amount not approved under the provisions of this paragraph.”

(3) The last sentence of subparagraph (A) of section 8(b)(1) of the Small Business Act (15 U.S.C. 637(b)(1)) is amended to read as follows: “In the case of cosponsored activities which include the participation of a Federal, State, or local public official or agency, the Administration shall take such actions as it deems necessary to ensure that the cooperation does not constitute or imply an endorsement by the Administration of or give undue recognition to the public official or agency, and the Administration shall ensure that it receives appropriate recognition in all cosponsored printed materials, whether the participant is a profit making concern or a governmental agency or public official.”

(4) Section 303 of the Small Business Investment Act of 1958 is amended by striking subsection (c) and inserting in lieu thereof the following new subsections:

15 USC 683.

“(c) Subject to the following conditions, the Administration is authorized to purchase preferred securities, and to purchase, or to guarantee the timely payment of all principal and interest payments as scheduled, on debentures issued by small business investment companies operating under the authority of section 301(d) of this Act. The full faith and credit of the United States is pledged to the payment of all amounts which may be required to be paid under any guarantee under this subsection.

“(1) The Administration may purchase shares of nonvoting stock (or other corporate securities having similar characteristics): *Provided*, That—

“(A) dividends are preferred and cumulative to the extent of 3 per centum of par value per annum, except as provided in paragraph (5);

“(B) on liquidation or redemption the Administration is entitled to the preferred payment of the par value of such securities;

and prior to any distribution (other than to the Administration) the Administration shall be paid any amounts as may be due pursuant to subparagraph (A) of this paragraph;

“(C) the purchase price shall be at par value and, in any one sale, \$50,000 or more;

“(D) the amount of such securities purchased and outstanding at any one time shall not exceed—

“(i) from a company licensed on or before October 13, 1971, 200 per centum of the combined private paid-in capital and paid-in surplus of such company, or

“(ii) from any such company licensed after October 13, 1971, and having a combined paid-in capital and paid-in surplus of less than \$500,000, 100 per centum of such capital and surplus, or

“(iii) from any such company licensed after October 13, 1971, and having a combined private paid-in capital and paid-in surplus of \$500,000 or more, 200 per centum of such capital and surplus; and

“(E) the amount of such securities purchased by the Administration in excess of 100 per centum of such capital and surplus from any company described in clause (i) or (iii) may not exceed an amount equal to the amount of its funds invested in or legally committed to be invested in equity securities; for the purposes of this subsection, the term ‘equity securities’ means stock of any class (including preferred stock) or limited partnership interests, or shares in a syndicate, business trust, joint stock company or association, mutual corporation, cooperative or other joint venture for profit, or unsecured debt instruments which are subordinated by their terms to all other borrowings of the issuer.

“(2) The Administration may purchase or guarantee debentures subordinated pursuant to subsection (b) of this section (other than securities purchased under paragraph (1) of this subsection (c)): *Provided, That—*

“(A) such debentures are issued for a term of not to exceed fifteen years;

“(B) the interest rate is determined pursuant to this section or section 317; and

“(C) the amount of debentures purchased or guaranteed and outstanding at any one time pursuant to this paragraph (2) from a company having combined private paid-in capital and paid-in surplus of less than \$500,000 shall not exceed 300 per centum of its combined private paid-in capital and paid-in surplus less the amount of preferred securities outstanding under paragraph (1) of this subsection, nor from a company having combined private paid-in capital and paid-in surplus of \$500,000 or more, 400 per centum of its combined private paid-in capital and paid-in surplus less the amount of such preferred securities.

“(3) Debentures purchased and outstanding pursuant to section 303(b) of this section may be retired simultaneously with the issuance of preferred securities to meet the requirements of subparagraph (2)(C) of this subsection (c).

“(4) The Administration may require, as a condition of the purchase or guarantee of any securities in excess of 300 per centum of the combined private paid-in capital and paid-in surplus of a company, that the company maintain a percentage of its total funds available for investment in small business concerns invested or

legally committed in venture capital (as defined in subsection (b) of this section) determined by the Administration to be reasonable and appropriate.

⁴(5) Notwithstanding the foregoing provisions of this subsection, securities purchased by the Administration on or after the effective date of this Act (A) shall provide that dividends shall be preferred and cumulative to the extent of 4 per centum of par value per annum and (B) shall include a provision requiring the issuer to redeem such securities, including any accrued and unpaid dividends, in 15 years from the date of issuance: *Provided*, That the Administration may, in its discretion, guarantee debentures in such amounts as will permit the simultaneous redemption of such securities, including such amounts as it deems appropriate to include all or any part of accrued and unpaid dividends: *Provided further*, That the Administration shall not pay any part of the interest on such debentures except pursuant to its guarantee in the event of default in payment by the issuer.

⁴(6) In no event shall the Administration purchase or guarantee debentures or securities if the amount of outstanding securities and debentures of a company operating under the authority of section 301(d) would exceed 400 per centum of its combined private paid-in capital and paid-in surplus or \$35,000,000, which ever is less.

⁴(d) If the Administration guarantees debentures issued by a small business investment company operating under authority of section 301(d) of this Act, it shall make, on behalf of the company payments in such amounts as will reduce the effective rate of interest to be paid by the company during the first five years of the term of such debentures to a rate of interest 3 points below the market rate of interest determined pursuant to section 321. Such payments shall be made by the Administration to the holder of the debenture, its agents or assigns, or to the appropriate central registration agent, if any. The aggregate amount of debentures with interest rate reductions as provided in this subsection or as provided in section 317 which may be outstanding at any time from any such company shall not exceed 200 per centum of the private paid-in capital and paid-in surplus of such company. The authority to reduce interest rates as provided in this subsection shall be limited to amounts provided in advance in appropriations Acts, and the total amount shall be reserved within the business loan and investment fund to pay an amount equal to the amount of the reduction as it becomes due.

⁴(e) In determining the private capital of a small business investment company, Federal, State, or local government funds received from sources other than the Administration shall be included solely for regulatory purposes, and not for the purpose of obtaining financial assistance from or licensing by the Administration, providing such funds were invested prior to the effective date of this Act.

⁴(f) Notwithstanding the provisions of any other law, rule, or regulation, the Administration is authorized to allow the issuer of any preferred stock heretofore sold to the Administration to redeem or repurchase such stock upon the payment to the Administration of an amount less than the par value of such stock. The Administration, in its sole discretion, shall determine the repurchase price after considering factors including, but not limited to, the market value of the stock, the value of benefits previously provided and anticipated to accrue to the issuer, the amount of dividends previously paid, accrued, and anticipated, and the Administration's estimate of any

anticipated redemption. The Administration may guarantee debentures as provided in paragraph (5) of subsection (c) and allow the issuer to use the proceeds to make the payments authorized herein. Any monies received by the Administration from the repurchase of preferred stock shall be deposited in the business loan and investment fund and shall be available solely to provide assistance to companies operating under the authority of section 301(d), to the extent and in the amounts provided in advance in appropriations Acts.”

15 USC 687f.

(6) Section 204 of the Small Business Development Center Act of 1980 (Public Law 96-302), as amended, is further amended by striking “October 1, 1990” and by inserting in lieu thereof “October 1, 1991”.

(7) Notwithstanding any other provision of this Act, none of the funds appropriated or made available by this Act or otherwise appropriated or made available to the Small Business Administration shall be used to adopt, implement, or enforce any rule or regulation with respect to the Small Business Development Center program authorized by section 21 of the Small Business Act, as amended (15 U.S.C. 648) nor may any of such funds be used to impose any restrictions, conditions or limitations on such program whether by standard operating procedure, audit guidelines or otherwise, unless such restrictions, conditions or limitations were in effect on October 1, 1987, unless specifically approved by the Committee on Appropriations under reprogramming procedures except that this provision shall not apply to uniform common rules applicable to multiple Federal departments and agencies including the Small Business Administration; nor may any of such funds be used to restrict in any way the right of association of participants in such program.

Grants.

(8) The funds made available by this appropriations Act for Small Business Development Centers shall be available for grants for performance in fiscal year 1990 or fiscal year 1991.

(9) The limitation of \$1,813,250,000 on gross obligations for new direct loans to carry out section 7(b) of the Small Business Act, as amended, which is contained in section 108(c) of House Joint Resolution 423 as enacted into law is hereby waived: *Provided*, That the de facto credit limitation during fiscal year 1990 on gross obligations for new direct loans to carry out section 7(b) of the Small Business Act, as amended, imposed in the final Presidential sequestration order of October 16, 1989, and based on the calculation listed in the Final OMB Sequester Report to the President and Congress for Fiscal Year 1990 is hereby waived.
