“(f)(1)(A) Notwithstanding paragraphs (1) and (6) of subsection (a), and subject to subparagraph (B), each Alaska Native allotment application made pursuant to the Act entitled ‘An Act authorizing the Secretary of the Interior to allot homesteads to the natives of Alaska’, approved May 17, 1906 (34 Stat. 197), that—

“(ii) describes lands within the National Petroleum Reserve-Alaska that have been selected, interim conveyed, or patented to a Village Corporation or Regional Corporation,

is reinstated only for the purpose of this section, subject to this section.

“(B) The reinstatement under subparagraph (A) shall be carried out regardless of whether the application was—

“(i) relinquished by the applicant; or

“(ii) denied by the Department of the Interior, if the denial was based solely on the grounds that land within the National Petroleum Reserve-Alaska was unavailable.

“(2)(A) To the extent that the application describes lands (or any interest in the lands) that have been selected, interim conveyed, or patented to a Village Corporation or Regional Corporation, the Secretary is authorized to accept from the Village Corporation or Regional Corporation the reconveyance or relinquishment of the lands (or any interest in the lands).

“(B)(i) To the extent that the application describes lands (or any interest in the lands) that a Village Corporation is not willing to reconvey or relinquish pursuant to subparagraph (A), the applicant may relinquish any claim to any portion of the lands (or any interest in the lands) or may, with the consent of the

affected Village Corporation, amend the application to exclude the lands and include in lieu thereof a description of lands selected by, interim conveyed to, or patented to the Village Corporation of an acreage that is not to exceed the amount of land relinquished.

“(ii) The Secretary is authorized to accept the reconveyance or relinquishment of the lands (or any interest in the lands) described in the amended application from the Village Corporation or Regional Corporation in lieu of the lands (or any interest in the lands) described in the initial application.

“(D) The authority of the Secretary to accept the reconveyance or relinquishment of lands (or any interest in the lands) under this paragraph shall terminate on the date that is 6 years after the date of enactment of this subsection.

“(3)(A) Subject to any valid existing rights, to the extent that the application describes lands that are authorized to be reconveyed or relinquished to the United States under paragraph (2), the Village Corporation shall file with the Secretary, not later than 3 years after the date of enactment of this subsection, the name of the applicant and the land description of each allotment proposed to be reconveyed or relinquished.

“(B) Upon receipt of the land description, the Secretary shall immediately notify the State of Alaska and all interested parties of the land description proposed to be reconveyed or relinquished, and any such party shall have 60 days following notification in which to file with the Department of the Interior a protest as provided in subsection (a)(5).

“(ii) following reconveyance or relinquishment, issue a Native allotment certificate to the applicant or heirs of the applicant.

“(4)(A) To the extent a Village Corporation or a Regional Corporation reconveys lands (or any interest in the lands) to the United States pursuant to paragraph (2) and the conveyance results in a reduction in the acreage charged against the entitlement of the Village Corporation or Regional Corporation under the Alaska Native Claims Settlement Act (43 U.S.C. 1601 et seq.), the Village Corporation or Regional Corporation shall be entitled to make selections in lieu of the reconveyed lands (or any interest in the lands).

“(B)(i) The quantity of acreage of the surface estate reconveyed pursuant to paragraph (2) shall be added to the quantity of acreage of underselection, if any, for the Village Corporation. The Secretary shall provide for the selection of lands for replacement in accordance

with the procedures for withdrawals and selections under section 22(j)(2) of the Alaska Native Claims Settlement Act (43 U.S.C. 1621(j)(2)).

“(ii)(I) A Village Corporation described in clause (i) shall be entitled to select lands for replacement from the lands that have been withdrawn for selection by the Village Corporation pursuant to section 11(a)(1) of the Alaska Native Claims Settlement Act (43 U.S.C. 1610(a)(1)).

“(II) In any case in which the lands described in subclause (I) are no longer in Federal ownership and the Village Corporation is entitled to make a selection pursuant to this subparagraph, the Secretary shall withdraw, and the Village Corporation shall select, Federal lands that are compact and contiguous with lands previously conveyed to the Village Corporation.

“(C) Lands (or any interests in the lands) in the replacement of lands (or interests in the lands) reconveyed by the Regional Corporation to the United States under this subsection shall be selected by the Regional Corporation from lands that are—

“(i) compact and contiguous with other lands previously conveyed to the Regional Corporation within the National Petroleum Reserve-Alaska; and

“(ii) beneath the surface estate of lands selected and conveyed to a Village Corporation.

“(D) The Secretary shall convey the lands selected pursuant to this paragraph in accordance with this subsection.

“(5)(A) Each Native allotment certificate issued to an applicant or the heirs of the applicant pursuant to paragraph (3) shall be subject to any existing easement or other right that had been reserved, conveyed, transferred, or recognized by the United States prior to the issuance of the certificate.

“(B) Each conveyance by the Secretary to any applicant or to the heirs of the applicant under this subsection shall reserve to the United States—

“(i) except as provided in subparagraph (C), all interests in oil, gas, and coal in the conveyed lands, and the right of the United States, or a lessee or assignee of the United States, to enter on lands conveyed to the applicant or to the heirs of the applicant, to drill, explore, mine, produce, and remove the oil, gas, or coal; and

“(ii) all other rights reasonably incident to the mineral reservations described in clause (i).

“(C)(i) If the oil, gas, or coal described in subparagraph (B)(i) was previously conveyed to the Regional Corporation and the Regional Corporation reserves those interests in a reconveyance to the United States, the Secretary shall reserve from the reconveyance to the applicant or to the heirs of the applicant for the benefit of the Regional Corporation the same rights and privileges that would have been reserved for the United States.

“(ii) With respect to a reconveyance of lands (or any interest in the lands) by the Regional Corporation to the United States that does not convey the entire mineral estate, the Regional Corporation shall not be entitled—

“(I) to a reduction of the acreage charged against the entitlement under the Alaska Native Claims Settlement Act (43 U.S.C. 1601 et seq.); or

“(II) to select mineral interests to replace the acreage.

"(6) The United States shall not be subject to liability for the presence of any hazardous substance in land or an interest in land solely as a result of any reconveyance to and transfer by the United States of the land or interest pursuant to this subsection."
