The authority to acquire land, water, and interests therein within the park boundary fixed in section 1 of this Act but outside the area designated in the Act of October 10, 1949 (63 Stat. 733), is further subject to the right of retention by the owners thereof, including owners of interests in oil, gas, and mineral rights or royalties, and by their heirs, executors, administrators, successors, and assigns, at their election of the following:

Reservations.

(1) The reservation until October 9, 1967, of all oil, gas, and mineral rights or interests, including the right to lease, explore for, produce, store, and remove oil, gas, and other minerals from such lands;

(2) In the event that on or before said date, oil, gas, or other minerals are being produced in commercial quantities anywhere within the boundary fixed in section 1 of this Act but outside the area designated in the Act of October 10, 1949, the time of the reservation provided in subsection (1) above shall automatically extend for all owners within said boundary and outside of said area regardless of whether such production is from land in which such owners have an interest, for so long as oil, gas, or other minerals are produced in commercial quantities anywhere within said boundary and outside of said area. To exercise this reservation, the owners, their lessees, agents, employees, and assigns shall have such right of ingress to and egress from such land and water as may be necessary; and

(3) After the termination of the reserved rights of owners as set forth in subsections (1) and (2) of this section, a further reservation of the right to customary royalties, applying at the time of production, in any oil, gas, or other minerals which may be produced from such land and water at any time before January 1, 1985, should production ever be authorized by the Federal Government or its assigns.

SEC. 3. Unless consented to by an owner retaining the reservation set forth in subsections (1) and (2) of section 2 of this Act, no action shall be taken by the Federal Government during the period of such reservation to purchase, acquire, or otherwise terminate or interfere with any lease or leases which may be applicable to said owner's land.

Restriction.

SEC. 4. Any reservations retained under the provisions of subsections (1) and (2) of section 2 of this Act shall be exercised by the owners subject to reasonable rules and regulations which the Secretary may prescribe for the protection of the park, but which shall permit the reserved rights to be exercised so that the oil, gas, and minerals may be explored for, developed, extracted, and removed from the park area in accordance with sound conservation practices. All operations shall be carried on under such regulations as the Secretary may prescribe to protect the land and area for park purposes.

Regulations.

SEC. 5. In acquiring any of the land or water within the area described in the first section of this Act the Secretary of the Interior shall exercise reasonable diligence to ascertain whether owners elect to retain reservations in accordance with the provisions of section 2 of this Act. If, after the exercise of such reasonable diligence, owners cannot be located, or do not appear in judicial proceedings to acquire the land and water, so that it may be ascertained whether they desire to retain reservations in accordance with the provisions hereof, the Secretary may acquire the fee simple title to their land free and clear of

Acquisition of fee simple title.

reservations as set forth in subsections (1), (2), and (3) of section 2 of this Act.

Drainage.

SEC. 6. Unless the Secretary, after notice and opportunity for hearing, shall find that the same is seriously detrimental to the preservation and propagation of the flora or fauna of Everglades National Park, he shall permit such drainage through the natural waterways of the park and the construction, operation, and maintenance of artificial works for conducting water thereto as is required for the reclamation by the State of Florida or any political subdivision thereof or any drainage district organized under its laws of lands lying easterly of the eastern boundary of the park in township 54 south, ranges 31 and 32 east, township 55 south, ranges 32 and 33 east, and township 56 south, range 33 east. He shall grant said permission, however, only after a master plan for the drainage of said lands has been approved by the State of Florida and after finding that the approved plan has engineering feasibility and is so designed as to minimize disruptions of the natural state of the park. Any right-of-way granted pursuant to this section shall be revocable upon breach of the conditions upon which it is granted, which conditions shall also be enforceable in any other appropriate manner, and the grantee shall be obligated to remove its improvements and to restore the land occupied by it to its previous condition in the event of such revocation.

Right-of-way.

Land, etc., exchange.

SEC. 7. The Secretary of the Interior is authorized to transfer to the State of Florida by quitclaim deed the land, water, and interests therein, previously acquired by the United States of America for Everglades National Park and not included within such park by section 1 of this Act, such transfer to be in exchange for the conveyance by the State of Florida to the United States of all land, water, and interests therein, owned by the State within the boundary of the park as described in section 1 of this Act: *Provided*, That exclusion of any land, water, and interests therein from the park boundary pursuant to section 1 of this Act shall be dependent upon the contemporaneous conveyance by the State to the United States of all land, water, and interests therein, owned by the State within the park boundary described in section 1 of this Act, including land, water, and interests therein, heretofore conveyed to the State for transfer to the United States for inclusion in Everglades National Park. The effectuation of the transfer provided for in this section shall be a condition precedent to the acquisition by the Secretary of any land, water, or interests therein held in private ownership within the boundaries set forth in section 1 of this Act and outside the area designated in the Act of October 10, 1949, except as such acquisition is by donation.

Appropriation.

SEC. 8. There are hereby authorized to be appropriated such sums, but not more than \$2,000,000 in all, as are required for the acquisition of land, water, and interests therein held in private ownership within the boundaries of Everglades National Park as fixed by section 1 of this Act and outside the area described in the Act of October 10, 1949.
