[S. 1443]

Foreign Assistance Act of 1973.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the "Foreign Assistance Act of 1973".

POLICY; DEVELOPMENT ASSISTANCE AUTHORIZATIONS

SEC. 2. Chapter 1 of part I of the Foreign Assistance Act of 1961 is amended as follows:

(1) In the chapter heading, immediately after "CHAPTER 1—POLICY", insert "DEVELOPMENT ASSISTANCE AUTHORIZATIONS".

81 Stat. 445.
22 USC 2151.

(2) In section 102—

(A) insert "(a)" immediately after "STATEMENT OF POLICY.—"; and

(B) add at the end thereof the following:

"(b) The Congress further finds and declares that, with the help of United States economic assistance, progress has been made in creating a base for the economic progress of the less developed countries. At the same time, the conditions which shaped the United States foreign assistance program in the past have changed. While the United States must continue to seek increased cooperation and mutually beneficial relations with other nations, our relations with the less developed countries must be revised to reflect the new realities. In restructuring our relationships with these countries, the President should place appropriate emphasis on the following criteria:

"(1) Bilateral development aid should concentrate increasingly on sharing American technical expertise, farm commodities, and industrial goods to meet critical development problems, and less on large-scale capital transfers, which when made should be in association with contributions from other industrialized countries working together in a multilateral framework.

"(2) Future United States bilateral support for development should focus on critical problems in those functional sectors which affect the lives of the majority of the people in the developing countries: food production; rural development and nutrition; population planning and health; and education, public administration, and human resource development.

"(3) United States cooperation in development should be carried out to the maximum extent possible through the private sector, including those institutions which already have ties in the developing areas, such as educational institutions, cooperatives, credit unions, and voluntary agencies.

"(4) Development planning must be the responsibility of each sovereign country. United States assistance should be administered in a collaborative style to support the development goals chosen by each country receiving assistance.

"(5) United States bilateral development assistance should give the highest priority to undertakings submitted by host governments which directly improve the lives of the poorest of their people and their capacity to participate in the development of their countries.

"(6) The economic and social development programs to which the United States lends support should reflect, to the maximum extent practicable, the role of United States private investment in such economic and social development programs.

"(7) Under the policy guidance of the Secretary of State, the agency primarily responsible for administering this part should have the responsibility for coordinating all United States development-related activities."

(3) At the end thereof, add the following new sections:

"SEC. 103. ACCESS TO CERTAIN MILITARY BASES ABROAD

SEC. 29. None of the funds authorized to be appropriated by this Act may be used to provide any kind of assistance to any foreign country in which a military base is located if—

- (1) such base was constructed or is being maintained or operated with funds furnished by the United States; and
- (2) personnel of the United States carry out military operations from such base;

unless and until the President has determined that the government of such country has, consistent with security, authorized access, on a regular basis, to bona fide news media correspondents of the United States to such military base.

TERMINATION OF INDOCHINA WAR

SEC. 30. No funds authorized or appropriated under this or any other law may be expended to finance military or paramilitary operations by the United States in or over Vietnam, Laos, or Cambodia.

LIMITATION ON USE OF FUNDS

SEC. 31. No funds authorized or appropriated under any provision of law shall be made available for the purpose of financing directly or indirectly any military or paramilitary combat operations by foreign forces in Laos, Cambodia, North Vietnam, South Vietnam, or Thailand unless (1) such operations are conducted by the forces of that government receiving such funds within the borders of that country, or (2) specifically authorized by law enacted after the date of enactment of this Act.

POLITICAL PRISONERS

SEC. 32. It is the sense of Congress that the President should deny any economic or military assistance to the government of any foreign country which practices the internment or imprisonment of that country's citizens for political purposes.

ALBERT SCHWEITZER HOSPITAL

SEC. 33. There is authorized to be appropriated to the President for fiscal year 1974 \$1,000,000 to make grants, on such terms and conditions as he may specify, to the Albert Schweitzer Hospital in Gabon.

PRISONERS OF WAR AND INDIVIDUALS MISSING IN ACTION

SEC. 34. (a) The Congress declares that—

(1) the families of those one thousand three hundred individuals missing in action during the Indochina conflict have suffered extraordinary torment in ascertaining the full and complete information about their loved ones who are formally classified as missing in action;

(2) United States involvement in the Indochina conflict has come to a negotiated end with the signing of the Vietnam Agreement in Paris on January 27, 1973, and section 307 of the Second Supplemental Appropriations Act, 1973, requires that "None of the funds herein appropriated under this Act may be expended to support directly or indirectly combat activities in or over Cambodia, Laos, North Vietnam, and South Vietnam or off the shores of Cambodia, Laos, North Vietnam and South Vietnam by United States forces, and after August 15, 1973, no other funds heretofore appropriated under any other Act may be expended for such purpose.";

(3) the question of the return of prisoners of war and accounting for individuals missing in action and dead in Laos is covered by article 18 of the Protocol signed by representatives of the Lao Patriotic Front (Pathet Lao) and the Royal Laotian Government in Vientiane on September 14, 1973 (which implements article 5 of the Agreement signed by the Pathet Lao and that government in Vientiane on February 21, 1973, requiring the release of all prisoners "regardless of nationality" captured and held in Laos), and paragraph C of such article 18 provides that, within "15 to 30 days" from the date of the signing of the Protocol, each side is to report the number of those prisoners and individuals still held, with an indication of their nationality and status, together with a list of names and any who died in captivity; and

(4) few of the United States men lost in Laos during the military engagements in Indochina have been returned, and with knowledge about many of these men not yet being fully disclosed, and the North Vietnam cease-fire provisions calling for inspection of crash and grave sites and for other forms of cooperation have not been fully complied with.

(b) It is, therefore, the sense of the Congress that—

(1) the provisions for the release of prisoners and an accounting of individuals missing and dead, as provided for in article 18 of the Protocol signed on September 14, 1973, by the Pathet Lao and the Royal Laotian Government, be adhered to in spirit and in deed; and

24 UST 1.
Ante, p. 129.

(2) the faithful compliance with the spirit of the Laotian Agreement and Protocol on the question of individuals missing in action will encourage all parties in Indochina to cooperate in providing complete information on all nationals of any nation who may be captured or missing at any place in Indochina.

RIGHTS IN CHILE

SEC. 35. It is the sense of the Congress that (1) the President should request the Government of Chile to protect the human rights of all individuals, Chilean and foreign, as provided in the Universal Declaration of Human Rights, the Convention and Protocol Relating to the Status of Refugees, and other relevant international legal instruments guaranteeing the granting of asylum, safe conduct, and the humane treatment or release of prisoners; (2) the President should support international humanitarian initiatives by the United Nations High Commissioner for Refugees and the International Committee of the Red Cross to insure the protection and safe conduct and resettlement of political refugees, the humane treatment of political prisoners, and the full inspection of detention facilities under international auspices; (3) the President should support and facilitate efforts by voluntary agencies to meet emergency relief needs; and (4) the President should request of the Inter-American Commission on Human Rights to undertake an immediate inquiry into recent events occurring in Chile.

SEC. 36. (a) The President or his delegate shall seek, as soon as possible, a revision of the Social Progress Trust Fund Agreement (dated June 19, 1961) between the United States and the Inter-American Development Bank. Such revision should provide for the—

(1) periodic transfer of unencumbered capital resources of such trust fund, and of any future repayments or other accruals otherwise payable to such trust fund, to the Inter-American Foundation, to be administered by the Foundation for purposes of part IV of the Foreign Assistance Act of 1969 (22 U.S.C. 290f and following);

(2) utilization of such unencumbered capital resources, future repayments, and other accruals by the Inter-American Development Bank for purposes of sections 1 and 2 of the Latin American Development Act (22 U.S.C. 1942 and 1943) in such a way that the resources received in the currencies of the more developed member countries are utilized to the extent possible for the benefit of the lesser developed member countries; or

(3) both the transfer described in paragraph (1) and the utilization described in paragraph (2).

(b) Any transfer or utilization under this section shall be in such proportions as may be agreed to between the United States and the Inter-American Development Bank.

(c) Any transfer under subsection (a) (1) shall be in the amounts, and in available currencies, determined in consultation with the Inter-American Foundation, to be required for its program purposes.

(d) The revision of the Social Progress Trust Fund Agreement pursuant to this section shall provide that the President or his delegate shall specify, from time to time, after consultation with the Inter-American Development Bank, the particular currencies to be used in making the transfer or utilization described in this section.

(e) Not later than January 1, 1974, the President shall report to Congress on his action taken pursuant to this section.

(2) legislation providing increased flexibility for responding to emergency and humanitarian requirements for food assistance should be considered as promptly as possible to the end that the last sentence of section 401 of the Agricultural Trade Development and Assistance Act of 1954 (Public Law 480), may be amended by striking the period and inserting in lieu thereof a
