(b) Section 16(a) of the Act of March 3, 1901 (15 U.S.C. 278f(a)), is amended by striking out “National Fire Prevention and Control Administration” in the matter preceding paragraph (1) and inserting in lieu thereof “United States Fire Administration”.

(c) Section 12(g) of the Act of February 14, 1903 (15 U.S.C. 1511), is amended by striking out “National Fire Prevention and Control Administration” and inserting in lieu thereof “United States Fire Administration”.

SEC. 3. (a) The Federal Fire Prevention and Control Act of 1974 (15 U.S.C. 2201 et seq.) is amended by adding at the end thereof the following new section:

“FEDERAL PROGRAMS TO COMBAT ARSON

15 USC 2220.

“SEC. 24. (a) The Administrator shall—

“(1) develop arson detection techniques to assist Federal agencies and States and local jurisdictions in improving arson prevention, detection, and control;

“(2) provide training and instructional materials in the skills and knowledge necessary to assist Federal, State, and local fire service and law enforcement personnel in arson prevention, detection, and control;

“(3) formulate methods for collection of arson data which would be compatible with methods of collection used for the uniform crime statistics of the Federal Bureau of Investigation;

“(4) develop and implement programs for improved collection of nationwide arson statistics within the National Fire Incident Reporting System at the National Fire Data Center;

“(5) develop programs for public education on the extent, causes, and prevention of arson; and

“(6) develop handbooks to assist Federal, State, and local fire service and law enforcement personnel in arson prevention and detection.

“(b) (1) The Administrator shall prepare and submit to Congress, not later than March 15, 1979, a report on ways in which the Federal Government may better assist the States and local jurisdictions in providing for more effective arson prevention, detection, and control. Such report shall include, but need not be limited to—

Report to
Congress.

“(A) (i) an assessment of State and local capabilities in regard to arson investigation and detection; and

“(ii) an evaluation of the necessity for and the desirability of Federal supplementation of such State and local capabilities or other Federal assistance in arson detection;

“(B) a summary of Federal programs which seek to reduce arson;

“(C) an identification and analysis of existing Federal and State laws which may contribute to the incidence of arson;

“(D) recommendations for additional legislation or other programs, including research programs, or policies which may be required to assist in reducing arson in the United States; and

“(E) an assessment, where practical, of the costs and benefits of those programs and activities cited in paragraphs (1) through (4) of subsection (a) or recommended by the Administration.

“(2) Of the funds authorized to be appropriated in section 17 of this Act, \$100,000 shall be available in fiscal year 1979 for carrying out the purposes of paragraph (1) of this subsection.”

15 USC 2216.

(b) Section 16(a)(1) of the Act of March 3, 1901 (15 U.S.C. 278f(a)(1)), as amended, is further amended by—

(1) striking out “and” at the end of clause (G) thereof;

(2) adding “and” at the end of clause (H) thereof; and

(3) adding at the end thereof the following:

“(I) methods, procedures, and equipment for arson prevention, detection, and investigation;”.

SEC. 4. The Federal Fire Prevention and Control Act of 1974 (15 U.S.C. 2201 et seq.), as amended by section 3 of this Act, is further amended by adding at the end thereof the following new section:

“ACADEMY SITE

“SEC. 25. (a) The Administrator is authorized to sell the former Marjorie Webster Junior College facility, located in Washington, D.C., which was previously purchased as the site for the Academy. In the event of the sale of such facility, the Administrator shall establish within the Administration an Academy Acquisition and Construction Account (hereinafter referred to as the ‘Account’), and shall deposit into such Account only the proceeds from the sale of such facility. Following such deposit, the Administrator shall calculate

15 USC 2221.

Academy
Acquisition and
Construction
Account.

the sum of both the funds deposited into the Account, and the total monies which have been or may be appropriated for the acquisition, construction, and/or rehabilitation of a site for the Academy. If the Administrator finds that the total amount so calculated would exceed \$9,000,000, the Administrator shall deduct from the Account the difference between this combined total and \$9,000,000, and shall deposit such difference into the Treasury as miscellaneous receipts.

“(b) The Administrator is thereafter authorized and directed to retain and apply funds in the Account for the acquisition, construction, and/or rehabilitation of any site which may be selected, together with such other monies as have been or may be appropriated for such purposes, except that the total authorized expenditure for such monies shall not exceed \$9,000,000. Such sums shall remain available until expended.”

Approved October 5, 1978.
