With the exception of grievances alleging fraud or any criminal activity, the filing of a grievance must be made within one year of the alleged occurrence.

Hearings.

“(2) Whenever the recipient of financial assistance under this Act is an employer and the participant is an employee of that employer, the recipient shall continue to operate or shall establish and maintain a grievance procedure relating to the terms and conditions of employment.

“(b) Whenever the Secretary receives a complaint from any interested person or organization (which has exhausted the prime sponsor’s grievance system under subsection (a) (1) or which has exhausted or failed to achieve resolution of the grievance under the recipient’s grievance system under subsection (a) (2) or under a collective bargaining agreement within the time limits prescribed in subsection (a) (1) or in such agreement) which alleges, or whenever the Secretary has reason to believe (because of an audit, report, on-site review, or otherwise) that a recipient of financial assistance under this Act is failing to comply with the requirements of this Act, the regulations under this Act, or the terms of the comprehensive employment and training plan, the Secretary shall investigate the matter. The Secretary shall conduct such investigation, and make the final determination required by the following sentence regarding the truth of the allegation or belief involved, not later than 120 days after receiving the complaint. If, after such investigation, the Secretary determines that there is substantial evidence to support such allegation or belief that such a recipient is failing to comply with such requirements, the Secretary shall, after due notice and opportunity for a hearing to such recipient, determine whether such allegation or belief is true.

“(c) (1) The Secretary shall revoke all or any part of a prime sponsor’s comprehensive employment and training plan and terminate financial assistance thereunder, if prior notice and opportunity for a hearing have been given, when the Secretary determines that the prime sponsor is maintaining a pattern or practice of discrimination in violation of section 132.

Post, p. 1948.

“(2) The Secretary shall have the authority to revoke a prime sponsor’s comprehensive employment and training plan and terminate financial assistance thereunder, if prior notice and opportunity for a hearing have been given, when the Secretary determines that the prime sponsor is—

“(d) (1) If the Secretary concludes that any recipient of funds under this Act is failing to comply with any provision of this Act or the regulations under this Act or that the recipient has not taken appropriate action against its subcontractors, subgrantees, and other recipients, the Secretary shall have authority to terminate or suspend financial assistance in whole or in part and order such sanctions or corrective actions as are appropriate, including the repayment of misspent funds from sources other than funds under this Act and the withholding of future funding, if prior notice and an opportunity for a hearing have been given to the recipient. Whenever the Secretary orders termination or suspension of financial assistance to a subgrantee or subcontractor (including operators under a nonfinancial agreement), the Secretary shall have authority to take whatever action is necessary to enforce such order, including action directly against the subgrantee or subcontractor, and an order to the primary recipient that it take such legal action, to reclaim misspent funds or to otherwise protect the integrity of the funds or ensure the proper operation of the program.

Termination or suspension of financial assistance. Notice and hearing.

“(e) In emergency situations, as determined by the Secretary, when it is necessary to protect the integrity of the funds or ensure the proper operation of the program, the Secretary may immediately terminate or suspend financial assistance in whole or in part, provided that prompt notice and opportunity for a subsequent hearing, within 30 days after such termination or suspension, are given to the recipient. The Secretary shall not delegate any of the functions or authority specified in this subsection other than to an officer whose appointment was required to be made by and with the advice and consent of the Senate.

“(f) If the Secretary determines that any recipient under this Act has—

the Secretary shall, within 30 days, take such action or order such corrective measures, as necessary, with respect to the recipient or the aggrieved person, or both.

“(g) The Secretary may withhold funds otherwise payable under this Act in order to recover any amounts expended in any fiscal year in violation of any provision of this Act, any regulation promulgated pursuant to this Act, or any term or condition of assistance under this Act. In the event of any such withholding which results from fraud or abuse, the Secretary may order the prime sponsor to conduct the program as specified in the applicable plan on the basis of funds other than funds under this Act and may enforce such order by appropriate civil action, unless the prime sponsor elects to terminate participation as a grantee under this Act.

“(h) With the consent and consideration of State agencies charged with the administration of State laws, the Secretary shall be authorized, for the purpose of carrying out this section and section 133, to utilize the services of State and local agencies and their employees. “(i) (1) Except as otherwise provided in subsection (e), the Secretary shall not revoke a prime sponsor’s plan, in whole or in part, nor institute corrective action or sanctions against a prime sponsor under this section or any other provision of this Act, without first providing the prime sponsor with notice by the Secretary of his intended actions and the reasons upon which those intended actions are based, and also providing the prime sponsor—

Hearing.

“(j) In order to ensure compliance with the provisions of this Act and regulations promulgated under this Act and to ensure conduct of programs in a manner consistent with the purposes and objectives of this Act, the Secretary may require prime sponsors to participate in unified audit programs established by the Secretary to provide for the audit of both prime sponsors and their respective subgrantees and subcontractors. In any such case the Secretary may require the prime sponsor to pay, from funds under this Act available to it for administrative expenses, that portion of the unified audit expenses allocable to the audit of such subgrantees and subcontractors.

Audit programs.

“(k) Nothing in this section shall be deemed to reduce the responsibility and full liability of the prime sponsors and other recipients which receive funds directly from the Secretary.

“(l) The existence of remedies under this section shall not preclude any person, who alleges that an action of a prime sponsor or of any other recipient violates any of the provisions of the Act or the regulations promulgated under the Act, from instituting a civil action or pursuing any other remedies authorized under Federal, State, or local law.

In carrying out this paragraph, the Secretary shall consult with and solicit the cooperation of the Administrator of Veterans' Affairs. Such steps shall include employment, training, supportive services, technical assistance and training, support for community based veterans programs, and maintenance and expansion of private sector veterans employment and training initiatives and such other programs or initiatives as are necessary to serve the unique readjustment, rehabilitation, and employment needs of veterans.

“(3) No program shall impair existing contracts for services.

“(4) No funds shall be used to assist in relocating establishments, or parts thereof, from one area to another or locating new branches, subsidiaries, or affiliates unless the Secretary determines that such relocation or location will not result in an increase in unemployment in the area of original location or in any other area.

“(2) No person shall be trained for an occupation which requires less than 2 weeks of preemployment training unless there are immediate employment opportunities available in that occupation.

“(3) All programs shall be designed, to the maximum extent practicable, consistent with every individual's fullest capabilities, to lead to employment opportunities enabling participants to increase their earned income and to become economically self-sufficient.

“(j) Funds available for employment benefits under this Act may be used, for the duration of participation, for contributions on behalf of participants who are, prior to July 1, 1979, enrolled in retirement systems or plans. With respect to participants enrolled in retirement systems or plans on or after such date, except as otherwise provided in regulations promulgated by the Secretary, no funds under this Act may be used for contributions to retirement systems or plans unless such contributions bear a reasonable relationship to the cost of providing benefits to participants. Such regulations shall take into consideration circumstances where efforts are being made to change State or local laws or both affecting retirement coverage for individuals who are participants in activities funded pursuant to this Act. Pursuant to section 314 of this Act, the Secretary shall provide technical assistance to recipients to enable retirement systems or plans to comply with section 122(k) and this subsection.

Ante, p. 1909.

Post, p. 1972.

The length of time for which such payments may be made shall not exceed that period of time generally required for the acquisition of skills needed for a position within a particular occupation.

“(B) Special consideration in filling public service jobs shall be given to eligible persons who are public assistance recipients or who are eligible for public assistance but not receiving such assistance.

“(2) Special consideration shall be given to eligible disabled and Vietnam-era veterans (with special emphasis on those who served in the Indochina Theatre on or after August 5, 1964, and on or before May 7, 1975) in accordance with procedures established by the Secretary, and special attention shall be given to the development of jobs which will utilize, to the maximum extent feasible, the skills which such veterans acquired in connection with their military training and service.

Post, p. 1960.

“(3) (A) Special emphasis in filling public service jobs shall be given to eligible members of groups specifically identified in section 301(a) as facing particular labor market disadvantages, taking into account the household support obligations of persons applying for such jobs, but nothing in this Act shall authorize the Secretary to establish hiring or participation goals for such persons.

“(B) Special efforts shall be made to acquaint such persons with the employment and training opportunities available under this Act, and to coordinate efforts in behalf of such persons with activities authorized by section 301.

“(c) (1) No person shall be employed or job opening filled (A) when any other person not supported under this Act is on layoff from

the same or any substantially equivalent job, or (B) when the employer has terminated the employment of any regular employee not supported under this Act or otherwise reduced its workforce with the intention of filling the vacancy so created by hiring a public service employee.

“(2) No funds for public service employment programs under this Act may be used to provide public services, through a private organization or institution, which are customarily provided by a State, a political subdivision, or a local educational agency in the area served by the program.

“(d) No jobs shall be created in a promotional line that will infringe in any way upon the promotional opportunities of persons currently employed in jobs not subsidized under this Act.

“(e) No public service jobs shall be substituted for existing federally assisted jobs.

“(f) The Secretary shall assure that prime sponsors have undertaken, or will undertake, analyses and reevaluations of job descriptions and, where feasible, revisions of qualification requirements at all levels of employment, including civil service requirements and practices relating thereto, in accordance with regulations prescribed by the Secretary, with a view toward removing artificial barriers to public employment (as defined in section 3) of those whom it is the purpose of this Act to assist.

“(g) Financial records relating to public service employment programs, and records of the names, addresses, positions, and salaries of all persons employed in public service jobs, shall be maintained and made available to the public.

“(h) (1) All persons participating in public service employment shall receive wages in accordance with section 124.

“(2) No participant may be paid wages from funds under this Act for public service employment for more than 78 weeks in a 5-year period.

“(4) (A) The Secretary may waive the provisions of paragraph (2) or of section 121(c) (2) to provide a temporary extension of time for a limited number of persons who were originally hired in a public service employment program prior to October 1, 1978, and who continue to be so employed on September 30, 1979, in the case of a prime sponsor which the Secretary determines has faced unusually severe hardships in its efforts to transition public service employees into regular public or private employment not supported under this Act or in the case of Native American entities who operate programs authorized under section 302(c) (1) of this Act.

“(B) The Secretary may waive the provisions of paragraph (2), with respect to any area served by a unit of general local government which is eligible to be a prime sponsor (or any area served by such a Native American entity) in which the rate of unemployment is equal to or exceeds 7 percent or, in the case of a prime sponsor which is a State, any area under the jurisdiction of a unit of general local government in which the rate of unemployment is equal to or exceeds 7 percent, to provide a temporary extension of time, which shall be no greater than 12 months in duration (and which shall be subject to the provisions of section 121(c) (2)), for persons hired on or after

Post, p. 1962.

October 1, 1978, in a public service employment program under any title of this Act in the case of a recipient which the Secretary determines has faced unusually severe hardships in its efforts to transition public service employees into regular public or private employment not supported under this Act because of high unemployment in the area of service.

“(i) (1) Funds under this Act shall not be used to pay wages to any individual employed in a public service job at a rate in excess of \$10,000 per year, but such maximum shall be adjusted upward for particular areas served by recipients as determined by the Secretary, on the basis of the wage adjustment index issued in accordance with paragraph (3) of this subsection. In no case shall such maximum be increased by more than 20 percent, except in the case of an area in which the average wage (during the calendar year preceding the beginning of the applicable fiscal year) in employment covered under Federal or State unemployment compensation laws (without regard to any limitation on the amount of such wages subject to contribution under such law) exceeds 150 percent of the national average wage in such employment.

“(2) In order to provide the maximum number of employment and training opportunities under this Act, the Secretary shall issue appropriate standards to be maintained on an area basis with respect to average federally-supported wage rates for public service jobs under this Act. Such standards shall be designed to assure that for particular areas served by recipients, as determined by the Secretary, an annual average federally-supported wage rate per public service jobholder equivalent to \$7,200, as adjusted in accordance with the wage adjustment index issued in accordance with paragraph (3) of this subsection, will not be exceeded. Average wage rates established under such standards for public service jobs for each area shall be adjusted annually by the Secretary by a percentage equal to the change in average wages in regular employment not supported under this Act in such area.

Area wage
adjustment index.

“(3) The Secretary shall issue and publish annually an area wage adjustment index based upon the ratio which annual average wages in regular public and private employment in various areas served by recipients bear to the average of all such wages nationally, on the basis of the most satisfactory data the Secretary determines to be available.

Post, p. 2012.

“(4) (A) Except as otherwise provided in section 609, no public service employment participant may be provided wages for any public service employment job from sources other than this Act.

“(B) Notwithstanding subparagraph (A), any person in public service employment on September 30, 1978, receiving wages from sources other than this Act may continue to receive such wages.

“(j) Notwithstanding any eligibility limitation on public service employment in this Act, a person who on September 30, 1978, held a public service employment position under this Act may continue in such position subject to subsection (h) of this section.

“(k) All persons employed in public service jobs shall be provided workers' compensation, health insurance, unemployment benefits, and other benefits and working conditions at the same level and to the same extent as other employees working a similar length of time, doing the same type of work and similarly classified. Any such classification must be reasonable and must include nonfederally financed employees, but within any single classification a distinction may be made between public service employees and other employees for purposes of determining eligibility for participation in retirement systems or plans

which provide benefits based on age or service or both. Nothing in this subsection or in section 121(j) shall be deemed to require a contribution to a retirement system or plan for the purpose of providing retirement benefits based on age or service, or both, to a public service employee unless funds under this Act are available, pursuant to section 121(j) to make such contribution.

“(l) The Secretary, through State employment security agencies, shall inform unemployment compensation recipients and other applicants for assistance from the employment security agency of any available public service jobs for which they may be eligible.

“(m) To the extent feasible, public service jobs shall be provided in occupational fields which are most likely to expand within the public and private sectors, and to the extent compatible with such objectives, shall meet community needs including but not limited to community betterment activities (including rehabilitation of public properties, assistance in the weatherization of dwellings occupied by low income families, demonstration of energy conserving measures including solar energy techniques, removal of architectural barriers to access by handicapped persons to public facilities, and neighborhood revitalization), education, health care, transportation services, crime prevention and control, and environmental quality control.

“(n) No individual shall be eligible to be employed in a public service employment position, if such individual has, within 6 months prior to the determination, voluntarily terminated, without good cause, his or her last previous full-time employment at a wage rate not less than the Federal minimum wage as prescribed under section 6(a) (1) of the Fair Labor Standards Act of 1938.

29 USC 206.

Technical
assistance.

“(3) The Secretary shall facilitate and extend projects for work on the weatherization of low income housing in titles II, III, IV, and VI of this Act, so as to achieve the most efficient match of manpower funds to materials funds. The Secretary shall, in coordination with other appropriate agencies, provide technical assistance and otherwise encourage prime sponsors, serving areas where such projects would contribute to energy savings, to develop and continue weatherization projects as part of their programs under this Act to best prepare applicants for employment in energy related jobs in unsubsidized employment.

Regulations.

“(4) The Secretary shall issue regulations setting forth conditions under which prime sponsors, in carrying out community improvement projects, community betterment activities, and public service employment projects under this Act, may provide work for eligible participants on the rehabilitation of housing for lower-income families as defined in section 8(f)(1) of the United States Housing Act of 1937 as part of community revitalization or stabilization projects.

“(2) Nothing in section 121 or this section shall be deemed to authorize the Secretary to pre-approve the selection of legal counsel by a prime sponsor, but the Secretary shall assure that no funds available for administrative costs under any title of this Act are used by a prime sponsor for making payments on contracts for legal or other associated services unless the prime sponsor certifies that—

“(A) the payments are not unreasonable in relation to the fees charged by other contractors providing similar services; and

“(B) the services could not be competently provided through employees of the prime sponsor or other available State or local governmental employees.

Standards and
procedures.

“(g) The Secretary, by regulation, shall establish such standards and procedures for recipients of funds under this Act as are necessary to assure against program abuses including, but not limited to, nepotism; conflicts-of-interest; the charging of fees in connection with participation in the program; excessive or unreasonable legal fees; the improper commingling of funds under the Act with funds received from other sources; the failure to keep and maintain sufficient, audit-

able, or otherwise adequate records; kickbacks; political patronage; violations of applicable child labor laws; the use of funds for political, religious, antireligious, unionization, or antiunionization activities; the use of funds for lobbying local, State, or Federal legislators; and the use of funds for activities which are not directly related to the proper operation of the program.

“(h) Pursuant to regulations of the Secretary, income generated under any program may be retained by the recipient to continue to carry out the program, notwithstanding the expiration of financial assistance for that program.

“(i) Every recipient which receives funds directly from the Secretary shall be responsible for the allocation of such funds and the eligibility of those enrolled in the program and shall have responsibility to take action against its subcontractors, subgrantees, and other recipients to eliminate abuse in their programs and to prevent any misuse of funds by such subcontractors, subgrantees, and other recipients. Prime sponsors may delegate the responsibility for determination of eligibility under reasonable safeguards, including provisions for reimbursement of cost incurred because of erroneous determinations made with insufficient care, provided that the Secretary has approved such an arrangement pursuant to the provisions of section 104(a).

Ante, p. 1922.
